Blood Elf Names

Blood elf names carry the weight of addiction and lost glory, elegant Thalassian constructions warped by desperation. They sound beautiful but carry an edge of hunger. Think high elf names with thorns.

1. **Kael'thas** — *Warcraft III / WoW*
   Prince Kael'thas Sunstrider — his fall from noble leader to fel-addicted villain defines the species.
2. **Sylvanas** — *World of Warcraft*
   Originally a high elf ranger-general. Her name carried into undeath and shaped WoW's story for years.
3. **Lor'themar** — *World of Warcraft*
   Regent Lord of Quel'Thalas. A reluctant leader holding his broken people together.
4. **Rommath** — *World of Warcraft*
   Grand Magister of Silvermoon. His name has the formal, dangerous edge of blood elf aristocracy.
5. **Valeera** — *World of Warcraft / Hearthstone*
   Valeera Sanguinar — a blood elf rogue. Her surname means 'of blood.'
6. **Anasterian** — *Warcraft Lore*
   Last king of Quel'Thalas before the Scourge. His name echoes lost grandeur.
7. **Liadrin** — *World of Warcraft*
   Lady Liadrin — leader of the Blood Knights who found redemption through the Sunwell.
8. **Dath'Remar** — *Warcraft Lore*
   Founder of Quel'Thalas. The name that started the Highborne exile that became blood elves.
9. **Halduron** — *World of Warcraft*
   Ranger-General of Silvermoon. A blood elf military name — efficient and sharp.
10. **Aethas** — *World of Warcraft*
    A Sunreaver leader in Dalaran. Blood elf names in arcane politics.
