Snow Elf Names

Snow elf names are hushed and pristine, sounds muffled by deep snowfall. They share frost elf's cold roots but with a gentler touch: more 'fresh snowfall' than 'glacial blade.' Expect breathy consonants and long, quiet vowels.

1. **Auriel** — *The Elder Scrolls*
   The Aedric god associated with snow elves (Falmer) in their uncorrupted days. Light and loss.
2. **Gelebor** — *The Elder Scrolls V: Dawnguard*
   The last uncorrupted Snow Elf in Skyrim. A living relic of a destroyed civilization.
3. **Vyrthur** — *The Elder Scrolls V: Dawnguard*
   Gelebor's corrupted brother. A snow elf name turned to bitterness.
4. **Nieve** — *Spanish for 'Snow'*
   A simple, beautiful name that captures snow elf purity.
5. **Frostine** — *Fantasy Convention*
   A snow elf name that wears its element openly. Elegant despite its directness.
6. **Blanchard** — *Old French 'White'*
   From 'blanc.' Snow elf names sometimes draw from words meaning white or pure.
7. **Talvi** — *Finnish for 'Winter'*
   Finnish and Nordic languages provide perfect snow elf naming stock.
8. **Eira** — *Welsh for 'Snow'*
   A short, crystalline name. Welsh provides surprisingly perfect snow elf vocabulary.
9. **Yuki** — *Japanese for 'Snow'*
   Snow elf names can draw from any language's word for their element.
10. **Lumina** — *Latin 'Light'*
    Snow elves live in the reflection of light on ice. Lumina captures that brilliance.
