TAVERN CROWD

Top 10
Sun Elf Names

Sun elf names blaze with golden authority, regal, ancient, and carrying the weight of dynasties. They favor warm vowels, rolling R's, and names that sound like they should be spoken at sunrise ceremonies.

1. **Solaris** — *Latin / Stanislav Lem*
   Of the sun. A sun elf name that carries both warmth and the alien vastness of a star.
2. **Apollo** — *Greek Mythology*
   God of the sun, music, and truth. The quintessential sun elf deity-name.
3. **Ra** — *Egyptian Mythology*
   The sun god who sails across the sky. Two letters that carry more weight than paragraphs.
4. **Helios** — *Greek Mythology*
   The Titan who drove the sun chariot. A sun elf name of cosmic responsibility.
5. **Aurelian** — *Latin / Roman*
   'Golden one.' A sun elf name that sounds like it belongs on a coin minted in light.
6. **Surya** — *Hindu Mythology*
   The sun deity. Sun elf names draw from solar worship across all human cultures.
7. **Arien** — *The Silmarillion*
   The Maia who guides the sun. Tolkien's sun elf naming at its most radiant.
8. **Solonor** — *D&D Pantheon*
   Elven god of the sun and hunting. His name merges 'sol' with elven construction.
9. **Dawncrest** — *Fantasy Convention*
   A sun elf surname-as-name. Their houses are named for the light they serve.
10. **Amaterasu** — *Japanese Mythology*
    The sun goddess who hid in a cave. Her name means 'great shining heaven.'
