TAVERN CROWD

Top 10
Void Elf Names

Void elf names warp under pressure, once-normal elven names distorted by contact with the Void. Expect names that start beautiful and end unsettling, or names that reference absence, entropy, and the spaces between stars.

1. **Alleria** — *World of Warcraft*
   Alleria Windrunner — the first void elf, who absorbed the dark naaru's power.
2. **Umbric** — *World of Warcraft*
   Magister Umbric — leader of the ren'dorei. His name echoes 'umbra,' meaning shadow.
3. **Entropy** — *Physics / Fantasy*
   The heat death of the universe as a name. Void elves don't shy from uncomfortable truths.
4. **Nyarlathotep** — *H.P. Lovecraft*
   The Crawling Chaos. Void elf aesthetics draw heavily from cosmic horror.
5. **Null** — *Mathematics / Computing*
   The absence of value. A void elf name that is literally nothing.
6. **Erebus** — *Greek Mythology*
   Primordial deity of darkness. The void between things, personified.
7. **Xal'atath** — *World of Warcraft*
   A sentient void blade. Her whispers define what void corruption sounds like.
8. **Tenebris** — *Latin for 'Darkness'*
   Shadows given a name. A void elf who has accepted what they've become.
9. **Nihil** — *Latin for 'Nothing'*
   From nihilism. A void elf philosophy name — existence is absence.
10. **Ren'dorei** — *World of Warcraft*
    The void elf species name in Thalassian. Some take the species name as personal identity.
