Githzerai Names

Githzerai names are measured and contemplative, still alien but calmer than their githyanki kin. Where githyanki spit their names, githzerai intone them. Expect flowing syllables balanced with sharp precision.

1. **Zerthimon** — *Planescape: Torment*
   The founder-prophet of the githzerai. His Unbroken Circle of Zerthimon is their scripture.
2. **Dak'kon** — *Planescape: Torment*
   A githzerai zerth wielding a blade made of his own doubt. One of gaming's great characters.
3. **Zaerith** — *D&D Lore*
   A githzerai monastic leader. The 'Z' opening is a githzerai naming convention.
4. **Menyar-Ag-Gith** — *D&D Lore*
   A name that echoes the species founder. Githzerai names carry philosophical lineage.
5. **Belthazar** — *Baldur's Gate II*
   A monk antagonist. The name's disciplined cadence suits githzerai philosophy.
6. **Sensei** — *Japanese / Martial Arts*
   Not a name but a title — githzerai society is built on master-student chains.
7. **Zuoken** — *D&D Pantheon*
   A monk-god imprisoned in psychic stasis. His meditative imprisonment mirrors githzerai discipline.
8. **Stillness** — *Conceptual / Githzerai*
   Githzerai sometimes take concept-names reflecting their mastery — like zerth monks.
9. **Limbo** — *D&D Cosmology*
   Their home plane of pure chaos, which they impose order upon through will alone.
10. **Rrakkma** — *D&D Lore*
    The githzerai term for 'hunting band' against mind flayers. A name that is a mission.
