Triton Names

Triton names are aquatic and Greek-inflected, flowing, regal, and slightly imperious. They carry the cadence of waves: rolling vowels, liquid consonants (L, N, R), and names that sound like they belong in a coral throne room.

1. **Triton** — *Greek Mythology*
   Son of Poseidon, messenger of the sea. The species takes its name from this deity.
2. **Ariel** — *The Little Mermaid*
   Disney's mermaid princess — daughter of King Triton. The name means 'lion of God.'
3. **Aquaman** — *DC Comics*
   Arthur Curry — king of Atlantis. The triton archetype of royal aquatic warrior.
4. **Namor** — *Marvel Comics*
   The Sub-Mariner — arrogant, regal, and powerful. Pure triton personality in comic form.
5. **Poseidon** — *Greek Mythology*
   God of the sea. The ultimate name for a triton who doesn't do humility.
6. **Nereus** — *Greek Mythology*
   The Old Man of the Sea, father of the Nereids. A name for a triton elder.
7. **Amphitrite** — *Greek Mythology*
   Queen of the sea and Poseidon's wife. A triton name that carries oceanic sovereignty.
8. **Tidus** — *Final Fantasy X*
   A name derived from 'tide.' His water-blitzball world is peak triton culture.
9. **Calypso** — *Greek Mythology / Pirates*
   Sea goddess who trapped Odysseus. Her name evokes both beauty and the ocean's danger.
10. **Zuala** — *D&D Player's Handbook*
    A sample triton name with the liquid consonants and open vowels of their language.
